

**USC-STC is committed to protecting and representing the interests of Canada's UVS community.**

## WHY EXHIBIT

UC19Ottawa is the premier event for the Canadian UVS sector. Not only does this annual conference and trade show provide an opportunity to network and showcase products and services; but also allows for the creation of valuable industry contacts.

- Increase your visibility to industry, government, and the private sector
- Meet end-users looking for solutions
- Connect with key decision makers and supply chain contacts
- Opportunities to engage and connect
